

Gamida Cell to Present at Upcoming Investor Conferences

March 17, 2018

CAMBRIDGE, Mass., March 16, 2018 – [Gamida Cell](#), a leading cellular and immune therapeutics company, today announced that the company will participate in two upcoming investor conferences:

- Julian Adams, Ph.D., chairman and chief executive officer, will share a company overview at the Oppenheimer 28th Annual Healthcare Conference at 2:45 p.m. on Wednesday, March 21, 2018 at the Westin New York Grand Central in New York, NY. The webcast can be accessed live: <https://www.veracast.com/webcasts/opco/healthcare2018/42104642533.cfm>
- Adams will also present at BioCentury's 25th Annual Future Leaders in the Biotech Industry Conference at 9:30 a.m. ET on Friday, March 23, 2018 at the Millennium Broadway Hotel & Conference Center in New York, NY. A breakout session will follow the presentation at 10:00 a.m. The webcast can be accessed live: <http://wsw.com/webcast/biocentury5/gamida>

A webcast of each presentation can be accessed through the links above, or from the [News](#) section of the Gamida Cell website.

About Gamida Cell
