

Gamida Cell to Present Corporate Highlights at Multiple Investor Conferences in September

September 2, 2021

BOSTON--(BUSINESS WIRE)--Sep. 2, 2021-- Gamida Cell Ltd. (Nasdaq: GMDA), an advanced cell therapy company committed to cures for blood cancers and serious blood diseases, today announced that company management will present its corporate highlights at the following virtual investor conferences in September:

- H.C. Wainwright 23rd Annual Global Investment Conference, September 13-15, 2021. Company presentation will be available to view on-demand beginning on September 13 at 7:00 a.m. ET.
- Baird's 2021 Global Healthcare Conference, September 14, 2021 with a presentation at 11:25 a.m. ET.

In the fourth quarter of 2021, Gamida Cell is targeting a BLA submission for omidubicel, the first potential approval of a cell therapy for blood cancer patients in need of an allogeneic bone marrow transplant. This submission is expected to occur by the end of the year, subject to a pre-BLA meeting with the U.S. Food and Drug Administration (FDA) planned for the fourth quarter. In the third quarter of 2021, the Company is planning an IND submission to support the initiation of a Phase 1/2 clinical study of cryopreserved, off-the-shelf GDA-201 in patients with follicular and diffuse large b-cell lymphomas.

A webcast of both conference presentations will be available on the "Investors & Media" section of Gamida Cell's website at www.gamida-cell.com, and will be available for at least 14 days following the event.

About Gamida Cell

Gamida Cell is an advanced cell therapy company committed to cures for patients with blood cancers and serious blood diseases. Cautionary Note Regarding Forward Looking Statements

This press release contains forward-looking statements as that term is defined in the Private Securities Litigation Reform Act of 1995, including with respect to timing of initiation and progress of, and data reported from, the clinical trials of Gamida Cell's product candidates, anticipated regulatory filings (including the submission of the BLA for omidubicel to the FDA), commercialization planning efforts, the potentially life-saving or curative therapeutic and commercial potential of omidubicel, and Gamida Cell's expectations regarding its projected cash to be used for operating activities and cash runway. Any statement describing Gamida Cell's goals, expectations, financial or other projections, intentions or beliefs is a forward-looking statement and should be considered an at-risk statement. Such statements are subject to a number of risks, uncertainties and assumptions, including those related to the impact that the COVID-19 pandemic could have on our business, and including the scope, progress and expansion of Gamida Cell's clinical trials and ramifications for the cost thereof; clinical, scientific, regulatory and technical developments; and those inherent in the process of developing and commercializing product candidates that are safe and effective for use as human therapeutics, and in the endeavor of building a business around such product candidates. In light of these risks and uncertainties, and other risks and uncertainties that are described in the Risk Factors section and other sections of Gamida Cell's Annual Report on Form 20-F, filed with the Securities and Exchange Commission (SEC) on March 9, 2021, as amended, and other filings that Gamida Cell makes with the SEC from time to time (which are available at <http://www.sec.gov>), the events and circumstances discussed in such forward-looking statements may not occur, and Gamida Cell's actual results could differ materially and adversely from those anticipated or implied thereby. Although Gamida Cell's forward-looking statements reflect the good faith judgment of its management, these statements are based only on facts and factors currently known by Gamida Cell. As a result, you are cautioned not to rely on these forward-looking statements.
